About Chalet Le Kitz ...

This fabulous contemporary chalet was built by the owners on land belonging to their family.

Situated just a few minutes from the main road between Thones and St-Jean-de Sixt, the chalet is well placed for exploring the ski stations of La Clusaz and Le Grand Bornand, as well as the beautiful lakeside town of Annecy. Chalet Le Kitz is in a quiet location and makes the most of the fabulous views over Mont Lachat, Tournette and Le Lachat de Grand Bornand.

There's a lovely sunny terrace behind the property, which is then open to fields and forest, making it a great place to walk or cycle from. Although the garden is open, there is little or no passing traffic, so children can explore their immediate surroundings safely.

Larger groups of up to 25 wishing to stay in this area might wish to consider booking Chalet Le Kitz with [Chalet Bühel](#), which sleeps sixteen.

Please note that Chalet Kitz, a project built several years ago, does not display yet on the Google map below. Neighbouring Chalet Buhel is visible on the map since it's an old chalet that was renovated by the same owners as Kitz. You can see both properties in the exterior photos for both.
